# OncoGlow™ Oncology Aesthetics Training CPD-Accredited Course for Beauty & Wellness Professionals Because what the skin holds, the heart often carries.

## About OncoGlow™

OncoGlow™ is a CPD-accredited training platform designed to equip skincare, massage, and aesthetic professionals with the knowledge and confidence to safely support clients affected by cancer. Rooted in trauma-informed practice and psychodermatology principles, our approach blends clinical insight with compassionate care — setting a new standard in oncology-safe aesthetics.

Developed through years of research and practical refinement, OncoGlow™ bridges the gap between safety, ethics and emotional sensitivity in touch-based therapies.

## What You'll Learn

- Cancer Awareness & Advanced Cancer Awareness
- How oncology treatments affect the skin, lymphatic and nervous systems
